Important Information:

1. The **cold and flu season** is definitely upon us. We thank you for keeping your child home when they are sick.

2. We are certainly seeing a change in weather. Please make sure your children are wearing the appropriate clothing for wet weather – rain boots and waterproof raincoat. We highly encourage all students to have an extra pair of clothes in their back packs should they get wet. It saves a phone call home and helps keep your child warm and dry.

3. **We have a lot of students arriving to school late.** Please be sure to leave yourself enough time in the morning to arrive to school on time. Your child misses important information at the start of the day that helps them know what to expect and how to process the remainder of the school day.

4. Cook Elementary is fundraising for the Richmond **Poppy Fund**. The funds raised may be used for grants for food, heating costs, clothing, prescription medication, medical appliances and equipment, essential home repairs, emergency shelter or assistance for Veterans and their families in need, as well as housing accommodation and care facilities for Veterans.

To make a donation, you can go to SchoolCashOnline from November 4-11th:

5. **Parent Conversation Circle – Save the Date.** Please see the attached flyer if you are interested in joining us to meet and greet other parents from the Cook community.

6. If you have a child who is ready to join us for kindergarten in **2023-2024**, please be sure to read this information for **Kindergarten Registration** – please see attached memo from the District.

7. It's hard to believe that the holidays are getting closer. We recognize that some of our Cook families celebrate Christmas, and we know there are several other celebrations that families practice too. In an effort to support families who could use a little more support, please see the attached flyer that helps **parents receive assistance through the Christmas fund** organized through Richmond Cares Richmond Gives.
