Important Information:

- PARKING LOT** – As our school continues to grow, we now have close to **70** staff members. **All of the parking spots are for our staff.**
- We are fortunate to have a **shared fridge** at our school to support our learners who need a snack or lunch throughout the school day. Since this is on the honour system, we do ask parents to help remind their child that using the shared fridge is for people who really need the food. Some students have come to get a snack because they say “I don’t like my lunch” or “my parents didn’t give me enough to eat.” We hope that you can help support us talk about this with your child as food security is something we want to support in our school.
- Starting Monday, May 6th, **Breakfast Club** will now be on Monday/Wednesday/Fridays. Kindly be sure to note this change.
- Please have a conversation with your child about how **unsafe it is to throw rocks**. We have students who are throwing rocks over the hedges to neighbors lots, and a recent broken window of a classroom. We will be speaking with our students over the PA system and have classroom teachers speaking to each class. In the meantime, your support in speaking to your child would also be much appreciated.
