School Cash Online

To make paying school fees easier, your school district is now accepting online payments. School Cash Online allows parents and community members to pay school-related fees online safely, quickly and easily. With School Cash Online, you can purchase items like spirit wear, lunches, and field trips. Anytime, anywhere.

How it Works

School Cash Online puts all of the school fees available to your student online for purchase. Schools post their items and activities through the system and assign the relevant fees to your student. You can then choose to purchase these fees online through eCheck or myWallet. Our notification system allows you to easily keep track of which school fees require your attention.
