

COVID-19 School Restart Plan

Prioritizing Safety

Students Return
September 10

The Richmond School District is focused on investing in the health and safety of our students and staff and on meeting the expectations of the provincial health and safety guidelines: <https://bit.ly/3lh595N>. In addition to meeting these guidelines, the district has implemented the following safety measures:

47,000 masks ordered.

Two masks will be provided to every student and district staff member.

74,000 hours

of additional custodial cleaning time to ensure schools are kept clean.

55 portable handwashing stations installed throughout the school district.

2X daily

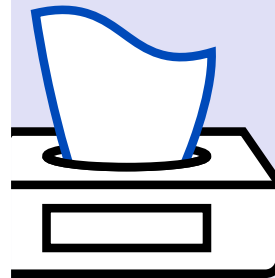

All schools will be cleaned and disinfected two times each day.

10,000 traffic flow signs

placed throughout the district to encourage physical distancing.

2 Metres

330,000 hand sanitation wipes purchased and placed throughout the district.
