Important Information:

- As we enter the Fall season, we are already beginning to see students staying home who are not feeling well. **If your child is sick** and unable to participate fully in routine activities, please keep your child at home until they feel better. We thank you for helping to keep our community healthy.
- Traffic Advisory for October – December 2025:** We have been informed that construction will begin across the street from the front entrance of Cook Elementary. This work is expected to cause traffic delays. To help avoid congestion, we encourage families to consider planning a walking route to school. Walking to school together will help our Cook Community to arrive calm and ready to learn!
- Cook students go outside in all types of weather. Please be sure to send your child with the **appropriate clothing for all weather conditions**. A second pair of dry clothes is also a good idea to have at school.

Learning in the Library with Mrs. Storey

In our library with Ms. Kim's kindergarten class, we learned about author Todd Parr and all his books! We read *The Thanksgiving Book* and connected to our Cook Cares circle.
