Important Information:

1. If your child is sick or at an appointment, please call our Early Warning Line at 604-668-6461.
2. To help prevent loss or damage, students are encouraged to leave special items safely at home. Bringing valuable belongings to school can be distracting and may lead to unnecessary disappointment if they are misplaced. Thank you for helping us support a focused, worry-free learning environment for all students
3. On **April 16th** at lunch time, there will be a Staff vs Student (Gr. 7) basketball game! Students are invited to watch - with an entry fee of a food bank donation: canned food, loonies or toonies.
4. **Acceptable Use of Student Personal Digital Devices:** Cook students should not have their personal digital devices during the school day. They may be used only when staff have given permission for an educational purpose, including during class time. Students should not have their devices at recess, lunch, or on the playground. We recommend that students leave personal digital devices at home. We appreciate your support in helping create a calm, engaged, and connected school environment for all students.
5. **PARKING LOT!** With the weather warming and the days lengthening, please incorporate walking to school into your routine. If you still need to drive, remember:
 - Please park in a parking spot and NOT in front of other parked cars
 - Please do NOT park where the orange cones are
 - Please stay in your car if parking in the lane
 - Please go slowly and watch for others
