2. Learning Updates were published on April 23rd. The Richmond School District is encouraging all families to use the MyEd Parent Portal to access important student information, including Learning Updates. To support families, the district has prepared step-by-step instructions for logging into and using the MyEd Parent Portal. These supports include a tutorial video and clear guidance to help parents and guardians access the portal successfully. Please visit the [District website](#) for instructions on setting up your MyEd account or resetting your password.
3. Our soccer playing students recently participated in crafting rules to ensure that recess soccer games are fun and safe for all.:
 - **Safe play at all times:** No physical contact
 - **Demonstrate respectful play:** Use positive and kind language; no disrespectful language during play
 - **Include all players:** All students are encouraged to play
 - **Disagreements?** Call a time out and seek adult support

In addition, we ask students to leave personal sports equipment (cleats, balls, etc.) at home.

4. Celebrate Youth Mental Health Day on May 7th by [registering](#) for this free online lecture: When Our Children Hurt Inside: Nurturing Awareness and the Power of Relationships.
