Thank you for your support, Cook Community!

The PAC is working hard with school staff in making field trips affordable, hot lunch experiences memorable, graduations a bit more of a blast, and iPads work like new. We're hoping to ramp up fundraisers to help bring new accessible additions to our aging playgrounds. We need your help.

There are no extra food items ordered; all items must be prepaid online. The PAC is not responsible for the contents of the food received. If your child has severe allergies, please contact the food caterer directly for details. Please note there are no refunds, including in the case of student absence or school changes. We can not save food for absent students but we can guarantee it will not go to waste. The Parent Advisory Council always welcomes any feedback or questions you might have regarding your children's hot lunches. Feel free to contact COOK_PAC@OUTLOOK.COM
