A note from Ms. Navin:

As we approach the end of the school year, we recognize that this is a unique and meaningful time for our school community. We will be saying farewell to several of our staff and students who will be departing at the end of June. Some of our students will be moving to other schools, including the new City Centre Elementary School that will be opening in September, and we are bidding farewell to our Grade 7 graduating class of 90 students who will be transitioning to secondary school next year. We extend our best wishes to all staff and students who are leaving Cook.

Have a lovely summer!
