Important Information:

1. If your child is sick or at an appointment, please call our Early Warning Line at 604-668-6461.
2. If your child isn't feeling well, please **keep them home so they can rest and recover**. Staying home when sick helps keep everyone at school healthy and learning. If your child has a fever, cough, or upset stomach, wait until they're feeling better before sending them back. Unsure if they should stay home? Please check these [VCH guidelines](#).
3. **Our Lost and Found is overflowing with items waiting to be claimed.** If your child has misplaced a jacket, water bottle, or any other belongings, please stop by and take a look. Checking regularly helps ensure your child's things make it back home!
4. The Final Learning Update will be published on June 24th using the MyEd portal. To support families, the district has prepared step-by-step instructions for logging into and using the MyEd Parent Portal. These supports include a tutorial video and clear guidance to help parents and guardians access the portal successfully. Please visit the [District website](#) for instructions on setting up your MyEd account or resetting your password.
