Important Information:

1. It has been great seeing all of our students back at school. Everyone has done a fantastic job at remembering to keep their masks on, wash their hands and distance where possible. We hope to see more of our students returning soon.
2. Thank you for picking your children up at the end of the school day at 2:45pm. We do have a large number of students not being picked up on time and needing to stay at the office. It is crucial that you are here on time for your child as we do not have after school adult supervision.
3. Please be sure to check the REVISED *Daily Health Check* attached to this email. You will also find attached a useful flow chart provided by VCH that helps address when you should stay home and for how long should you have Covid symptoms.
4. As we continue to follow health and safety protocols, we will need to cancel PAC hot lunches for the month of February too. We apologize for the inconvenience. Ms. Lau, our Admin-Assistant, will begin refunding families.
