Report Cards are coming home...

Hold and Secure Drill

On March 9th, we will be practicing a Hold and Secure Drill.

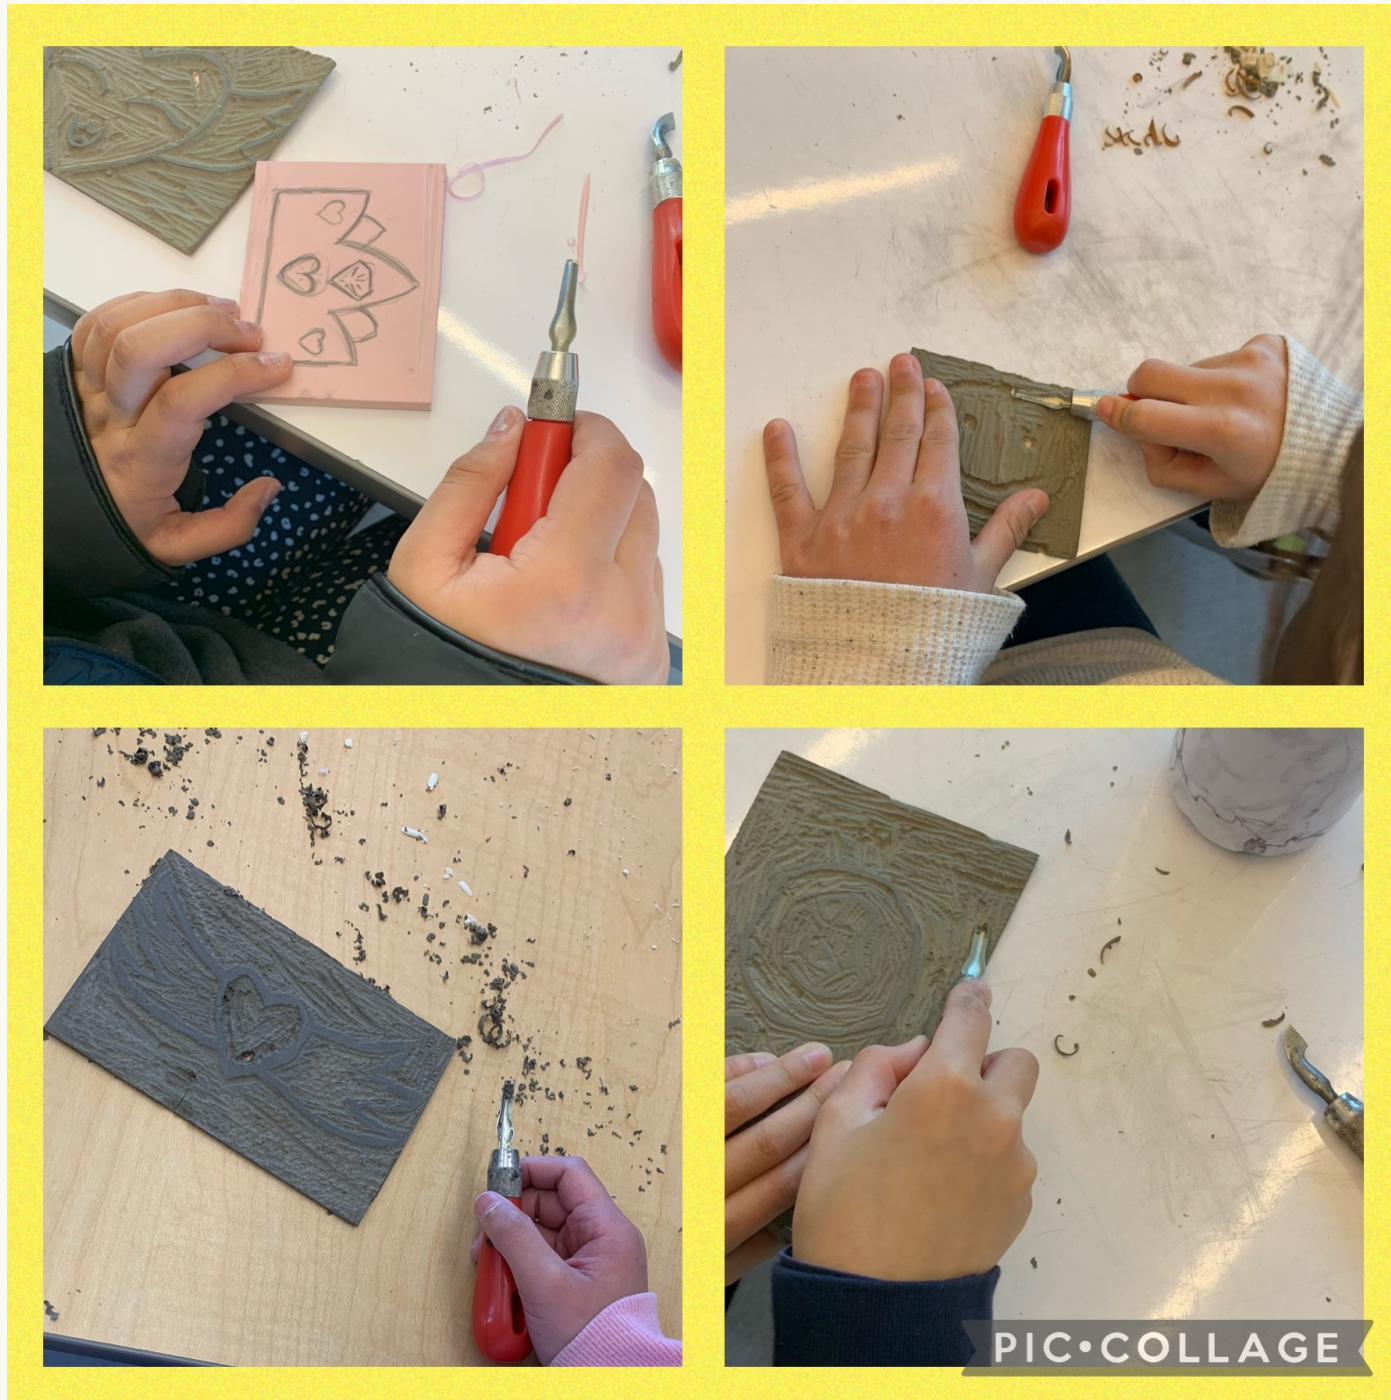

Just as we practice safe procedures in case of earthquake or fire, we will now prepare for other situations that might happen in our neighbourhood (such as a broken gas line) or within our school (such as an intruder). These situations would lead us to "lockdown" the school. For the broken gas line example, we would follow Hold & Secure (Yellow) procedures – a perimeter lockdown.

You know your child best and if you feel your child would benefit from some reassurance, please have a brief conversation with him or her before the drill.

Upcoming Dates:

- *March 11* - Last day of school before Spring Break
- *March 12 - 27* = **SPRING BREAK**
- *March 28* - Return to school from Spring Break
