Important Information:

1. **School Messaging** – The District has now activated the SMS/text messaging communication feature for schools with the goal of improving our ability to deliver time-sensitive information to parents/caregivers, including emergency notifications and important school messages. Please opted-in to receive text messages by sending a text message to the number 978338 with 'Yes' in the body.
2. Well done Cook community! We raised **\$2,374.80** for the *Food Bank* and brought in 302 non-perishable items. Thank you everyone for supporting our community.
3. A huge thank you to Mr. Law for his passion and dedication for our outstanding Winter Concert. Due to the size of our school, we do not have the space to invite our families. This year, we had wonderful grade 7 students video-recording each concert so that we could share a link with you. Each concert link is protected with a password and expiry date. **Please do not share this with others!**

All links expire on Sunday, January 7, 2024

~ Cook Highlights ~

Our Grade 5/6 classes invited everyone to come visit their *Winter Pod Arcade*. The learners created their own games and fostered a true feeling of community. A lovely way to end before the Winter Break!
