Important Information:

1. The PAC is holding another fundraiser for Fresh Slice and Subway discount coupons. Help support this fundraising effort by clicking [here](#)
2. If your child isn't feeling well, please **keep them home so they can rest and recover**. Staying home when sick helps keep everyone at school healthy and learning. If your child has a fever, cough, or upset stomach, wait until they're feeling better before sending them back.
3. Speaking of feeling sick...If your child is sick or will be absent for another reason, please make sure **you call our Early Warning Line at 604 668-6461**. Calling and leaving a message really helps our team.
4. It's back...Cook Cottage! Starting December 8- 10th, we ask that you send your child to school with \$1 so that they can "go shopping" in our Cook Cottage. Students will have the chance to pick an item they would like to give to one person in their family for the holidays. All proceeds will go to a local charity.
5. Our **Lost and Found** is overflowing! Please take a look. **All items will be donated as of December 18th at 3pm:**
