Important Information:

1. If your child is sick or at an appointment, please call our Early Warning Line at 604-668-6461.
2. **Kindergarten Vision Screening:** Cook Elementary has been selected to participate in a Vancouver Coastal Health *Kindergarten Vision Screening Program*. All Kindergarten students will have their vision screened on Friday, April 24.
3. Learning Updates will be published on April 23rd. The Richmond School District is encouraging all families to use the MyEd Parent Portal to access important student information, including Learning Updates. To support families, the district has prepared step-by-step instructions for logging into and using the MyEd Parent Portal. These supports include a tutorial video and clear guidance to help parents and guardians access the portal successfully. Please visit the [District website](#) for instructions on setting up your MyEd account or resetting your password.
4. Thank you to Mr. Jason for organizing our new recess equipment sign-out program! It has been wonderful to see our Cougars trying different sports and staying active during recess. During PE classes, Mr. Jason will be reviewing expectations for safe, fun, and respectful play that is appropriate for school. We kindly remind families that personal sports equipment should remain at home.
5. **Acceptable Use of Student Personal Digital Devices:** Cook students should not have their personal digital devices during the school day. They may be used only when staff have given permission for an educational purpose, including during class time. Students should not have their devices at recess, lunch, or on the playground.
