The Week Ahead: June 1 – 5, 2026

Monday	Grab & Go Breakfast
Tuesday	
Wednesday	Grab & Go Breakfast
Thursday	CDC Club – Lunch Chess Club – by registration only
Friday	Sports Day PAC Lunch – FreshSlice

Important Information:

1. If your child is sick or at an appointment, please call our Early Warning Line at 604-668-6461.
2. If your child isn't feeling well, please **keep them home so they can rest and recover**. Staying home when sick helps keep everyone at school healthy and learning. If your child has a fever, cough, or upset stomach, wait until they're feeling better before sending them back. Unsure if they should stay home? Please check these [VCH guidelines](#).
3. **Our Lost and Found is overflowing with items waiting to be claimed.** If your child has misplaced a jacket, water bottle, or any other belongings, please stop by and take a look. Checking regularly helps ensure your child's things make it back home!
4. **Considerations for Class Placements 2026/2027 - submit by June 4th:** Each year at this time, we begin planning school organization for the 2026/2027 school year. Staff work together to place students to develop preliminary class lists. These plans are tentative and may change during the first week of September once enrolment is finalized.

When organizing classes, staff consider many factors, including students' strengths, learning styles and needs, social-emotional considerations, and more. Class placement is a thoughtful and complex process, and our goal is to create balanced classes where all students can thrive. Specific teacher requests cannot be considered and final placement decisions remain school based.

Parents who wish to share information to support this process may complete this survey:

5. **Cook Community Breakfast – June 9th from 8:00am:** You are invited to attend a community breakfast, with food provided by Big City Bannock. We are hopeful to see many of our Cook families come together and show what makes this community a great place to be. We ask that parents and children attend this event together. If students are coming to school without their parents, they can arrive at 8:30. Please let us know how many people are coming using this [link](#).
