

“Celebrating Our Diversity as Learners”

Ms. C. Latu
Principal

Mrs. N. Kusch
Vice Principal

March 8, 2021

Dear William Cook Families,

In February, the Ministry of Education and the BC Centre for Disease Control updated the [Provincial COVID-19 Health & Safety Guidelines for K-12 Settings](#). As a result, we have now received updated [daily health check posters](#) to use each morning.

We are pleased to be able to provide you with copies of the daily health check posters that you may print and post in a visible location in your home. We hope by referring to the daily health check poster and using the [daily health check app](#), that families will be able to undertake this important component of how we are working together to limit the spread of COVID-19.

As always, our schools continue to comply with the health and safety guidelines which include hand washing, respiratory etiquette, physical distancing, mask wearing, learning in cohort groupings and the daily health check. We value your support and willingness to work with us so that all children may learn together at school.

If you have any questions, please feel free to contact the school.

Sincerely,

Ms. C. Latu
Principal
